

Letter From Paul Rose

Oct. 25, 1960

Dear Brother Henley,

In behalf of the active brothers of Beta Chi, I want to express our thanks to you for attending our Homecoming last weekend. It was a true treat to meet Mrs. Henley and yourself. The active interest that was displayed by all the alumni has been an inspiration to the brothers. The little helpful hints plus the strong backing of the Alums make our National Fraternity one of the best. The portion of our creed "It inspires true friendship... and extends a helping hand to all that seek it", was really shown by our Homecoming.

The monitory contributions that we received after the evening meal more than covered the cost. It was sincerely appreciated by our brothers. The men of Beta Chi hope to see you again next year at Homecoming or whenever you're near Meadville.

Fraternally yours,

Paul Rose
