

Letter From Jasper N. Hunt

Chicago, Aug 27, 1898

Dear Sister [Anna M. Hunt]:

Your various favors reached me from time to time. I got back to Chicago a few days ago.

"A. T." left here yesterday after making a two-week stay in Chicago. He had a fine large time and returned via the Lake. I trust this finds you and all the folks in good health. We are having beautiful weather in this city.

The boys will both be back in school again in two weeks. Hoping that mothers heath continues good for one of her years.

I am, Yours Truly,

J. N. Hunt
