

Letter From Hilda Henley

Arlington Florida

August 31, 1936

Dear Husband:

I hope you are feeling better by this time and getting along or I am thinking about you all the time. It has been kinda lonesome since Callie left. I suppose she will be at home by this time and you will hear all about how we are getting along.

Yesterday was the big day at the Kings Chapel did you go along? I went to Church in the morning and then we had a big dinner and it started to rain so we had to hurry to finish our dinner the rains came up so quick. And it seems to rain so every and then the sun shines again. Gorden went Saturday morning to have 5 teeth pulled and he is home from work today. He has two wisdom teeth to be pulled yet then he will have all his teeth out.

Another mail man was on his vacation and come over here Friday after noon but went home Sunday night then they come back Saturday and stayed till last night. They had three children so it made a house full of us the men went out fishing Saturday night and Sunday they caught a lot of fish Saturday, but did not get any on Sunday.

It is still pretty warm in the day time but it gets cool at night, but not chilly like our nights get at home. They still have their ducks it seems as there is no market for ducks at the present time. There is a good market for chickens. They have sold about 12 of the chickens the old hens. Someone gave Gorden a calf a day old and he brought it home and Wayne has to take care of it and Jeanne takes care of the chickens and ducks and Marjorey has to wash the dishes and is that a hard task she thinks it is.

Well I suppose you know how it goes by this time and you can sympathize with her. May is going to Arlington so I will close and will write more the next time. Lots of Love to all from us all

Mother
